# Interior Design sheets

This is the residential building in London that has modern minimal design with warm material, colors and lights...

# Classic Bedroom

This is my Corona 1.7 training  
With classic material concept

BY: 3Ds Max2016 + Corona

# Bedroom Light Design

This style of bedroom design is suitable for modern homes and villas..families with minimalism idea about space...

BY: 3Ds Max2016 + Corona4

# Oriental style dining room

I transformed this scene from my basic idea into a model, a light and a material with this concept...

\*Oriental style dining room design with warm colors and traditional, modern furniture

BY: 3Ds Max2015 + Vray

# Summer Duplex villa design

Duplex villa for summer with huge window in green place.  
Modern and minimal design. The light color material  
in residential building and wooden material gives the  
humans a sense of calm.

# Round design conference room

This style of conference room design is suitable for square and confined spaces. Centralized rooms are usually for research groups. Conversation is good.

BY: 3Ds Max2015 + Vray

# 3D models

Making different kind of models  
for sale in websites like  
3Dsky , Cubebrush...

## 3D Model/Sofa

This is my 3dmodeling that I model  
it in 3dsmax and Marvelous designer
